

Previews are provided to assist in the online grant reporting process. Use previews as a guide or worksheet. TGFF only accepts online submissions.

TGFF Interim Report Preview

For Multi-Year Grants

Multi-Year Grant Reporting: This is an Interim Report for a Multi-Year grant. As stated in the grant contract, subsequent funding is contingent upon the review of this report.

*If this is the **final year** of the project, please fill out the regular TGFF Grant Report with the video component.*

Organization Information:

1. Legal name of the nonprofit organization:
2. Name and title of the person submitting this report:
3. List any significant changes in leadership since your proposal submission:
4. Title or Project Name on the original proposal:
5. What year of funding does this grant report reflect? (Ex: Year 1 of 2)

Project Update:

1. For this interim report, provide TGFF with updates and progress on the project.
2. Describe any changes or challenges to the intended outcomes, as written in the initial grant proposal.
3. Please upload the timeline provided in your initial proposal reflecting accomplished milestones up to this point.
 - a. Explanation of timeline: for example, is your project on track? Have there been any changes or challenges?
4. Please upload the following financials:
 - a. an up-to-date line item project budget reflecting what expenditures have been made and what remains
 - b. balance sheet for the previous year
5. Have there been any financial changes from the original proposal?
6. Have there been any changes to the sustainability of the organization or the project as outlined in your proposal?
7. Please share any additional information in regard to this project.
